

Education Committee Charter

(Written SY 2011-12)

Purpose

The Education Committee shall be responsible for reviewing information and materials related to the academic, instructional and extra curricular activities of the District. The information regarding the quality and effectiveness of the District's instructional programming shall be provided by the Superintendent, administration or at the request of the Committee or full Board of Education. The Committee shall provide feedback and direction to the full Board and public as appropriate.

Committee Membership

The standing Education Committee is comprised of no more than three (3) members of the Board of Education, as appointed by the Board of Education president. The DCS superintendent and business administrator also serve on the Committee. The Education Committee shall meet at least 3 times a year.

Decision Making Authority

The Education Committee does not have the authority to make any decisions. The Committee serves in an advisory role to the Superintendent and the full Board of Education.

Goals and Responsibilities

Annual review includes but is not limited to the following:

- Instructional priorities and/or changes that have budgetary implications
- Educational Policy
- Course Catalog
- New York State Assessment Results
- Basic Education Data System
- Staff Ratio and Staff Assignment Information
- Review of Extra Curricular Activities
- Address specific educational concerns brought to the attention of the BOE
