

Request for Conference Attendance Procedure

1. All conference requests need to be submitted in time to go through the process.
2. If there is a conference that requires a fee (except the sub cost), the teacher needs to immediately send an e-mail to the Business Official with details about the conference and cost. **NOTE:** This does not guarantee approval, but starts the process if you are approved.
3. The building principal must sign the form first if he/she supports the request.
4. The form needs to go to the administrator in charge of the PD Committee. **NOTE:** PDC meets the first Thursday of the month.
5. If the PDC supports the request, they will sign off on it with exactly what they recommend to be paid.
6. It then goes to the superintendent for his/her approval.
7. Until and if the teacher gets the signed conference request form back with the superintendent's signature, he/she may not assume they are approved. When approved, he/she may sign up.
8. Teachers must present a brief summary of the conference at their next building faculty meeting as a condition of attendance.
